This website / online platform is intended for general information purposes only. While GarantiBank International N.V. uses reasonable efforts to include accurate and up-to-date information on this website, errors or omissions may occur. GarantiBank International N.V. hereby expressly disclaims any liability for any damage arising out of or in any way connected with your access to or use of this site. All information on this site is subject to change without prior notice. GarantiBank International N.V. does not warrant the adequacy, accuracy or completeness of any information (including the market quotations) on this site and expressly disclaims any liability for any delay, inaccuracy, error or omission therein. Users are responsible for evaluating the accuracy, completeness, or usefulness of any information or other content available on this site.

- The information and opinions on this website / online platform are derived from sources believed to be reliable. However no liability is accepted in respect of its contents and readers should make their own inquiries to verify it. It is neither a solicitation or an incentive nor a suitable basis for making any investment decisions. Investments can fluctuate in price or value and prices, values or income may fall against an investor's interests. Garantibank International N.V. and its affiliates may have material interests that conflict with the interests of the recipient. Not readily realizable investments may be difficult to sell or realize; it may also be difficult to obtain reliable information about their value or the extent of the risks to which they are exposed. Contingent liability transactions may result in the loss of all the amount originally invested or deposited, and may also require future payments to be made by the investor. Past performance is not a guide to future performance and the value of the investments may go down as well as up. The target returns are only estimations and they are not guaranteed. No opinions are expressed as to the merits or suitability of a product. The investment referred to herein may involve a high degree of risk, which may include principal, interest rate, index, currency, credit, political, liquidity, time value, commodity and market risk and is not suitable for all investors. Since any terms quoted are indicative they are subject to change at any time without notice. Recipients of the information should undertake an independent review of the legal, tax, regulatory and accounting implications of the transaction referred to in it in order to determine the suitability of the transaction described in the light of their particular objectives. Information, news or publications are, unless otherwise specifically stated, intended for informational and/or marketing purposes only and should not be construed as a recommendation or trading idea. Garantibank International N.V. shall not be responsible for any loss arising from any investment based on a “perceived” recommendation, guidance, any other type of encouragement to act, invest or divest in a particular manner, advice (for including but not limited to business, financial, investment, hedging, legal, regulatory, tax or accounting) or trading idea (including made in reliance on information which is available on Garantibank International N.V.'s own or reference website / online platform). News and research do not contain (and should not be construed as containing) financial, investment, tax or trading advice or advice of any sort offered, recommended or endorsed by Garantibank International N.V. and should not be construed as a record of our trading prices, or as an offer, incentive or solicitation for the subscription, sale or purchase in any financial instrument.

Investments may not be suitable for all requirements and if you have any doubts, seek advice from your investment adviser.
